That is correct. Jayne Carlin is the 319 Program Coordinator. Thanks.

This related to Oregon's questions about the 319 program. Christine asked that the state work with Jayne regarding funding levels for the state on 319 due to the CZARA issues.

Thank you. I should have remembered. I will check in with Alan and Jill since OR is asking about funding from several years.

Alan just took it over from Jill Fullagar, so he's definitely the right person to contact. He's out of the office today (in Portland).

Jayne is the overall coordinator but is out this week. I am pretty sure that it is Alan Henning.

Subject: Time sensitive question: Who is the current OR 319 Coordinator

Hi,

I received a message from Adam Coutu of ODEQ looking to coordinate and answer questions regarding our budget numbers of a number of water quality programs including the 319 program. Nora was unable to answer his question and currently I can answer questions about 106 but that's it. Do you know who in the region is the current 319 coordinator?

Thanks in advance for your help,

Bevin
